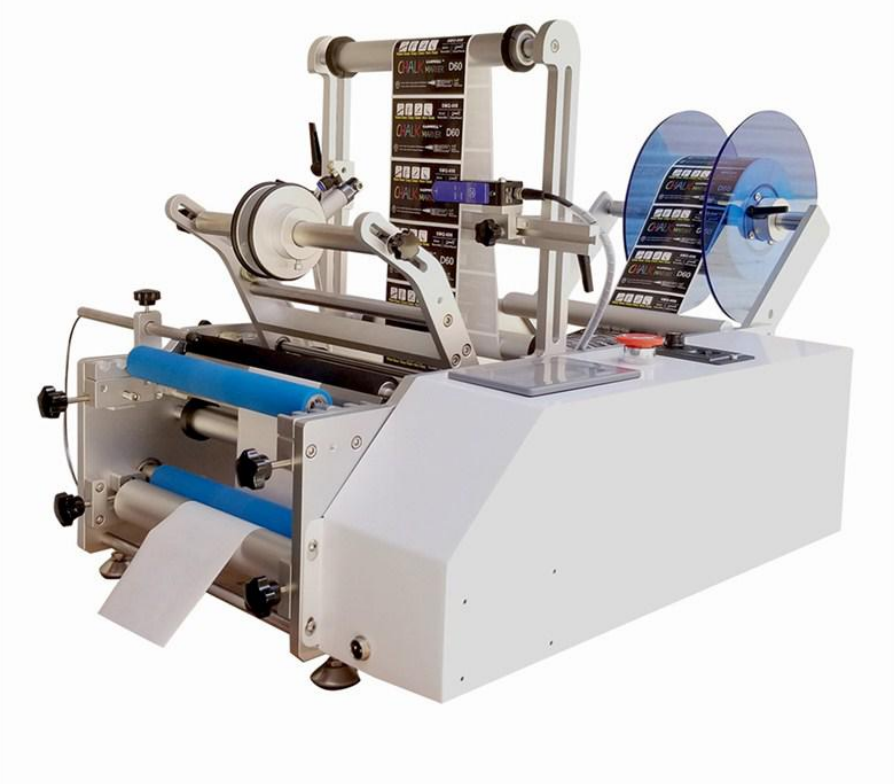
ALL FOR TECH

ForAll
Labeling Machine



*Can be applied to all kinds round and tapered containers.

*Table top labeler,portable and easy operation.

*Support customization.

*Can be added with other functions ausch as date printing.

## Application

# FA-501 Semi Automatic Round Bottle Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 960*560*540 | 15~30 pcs/min | ±0.5mm | L:20-290<br>W(H):20-230 | φ10~φ150 |

ForAll
Labeling Machine

*Can be applied to cylindrical containers wrap around labeling(≤4/5 circle).

*Opaque label is more recommended for this labeler type.

*Liner labeler,can be connectted to production line.

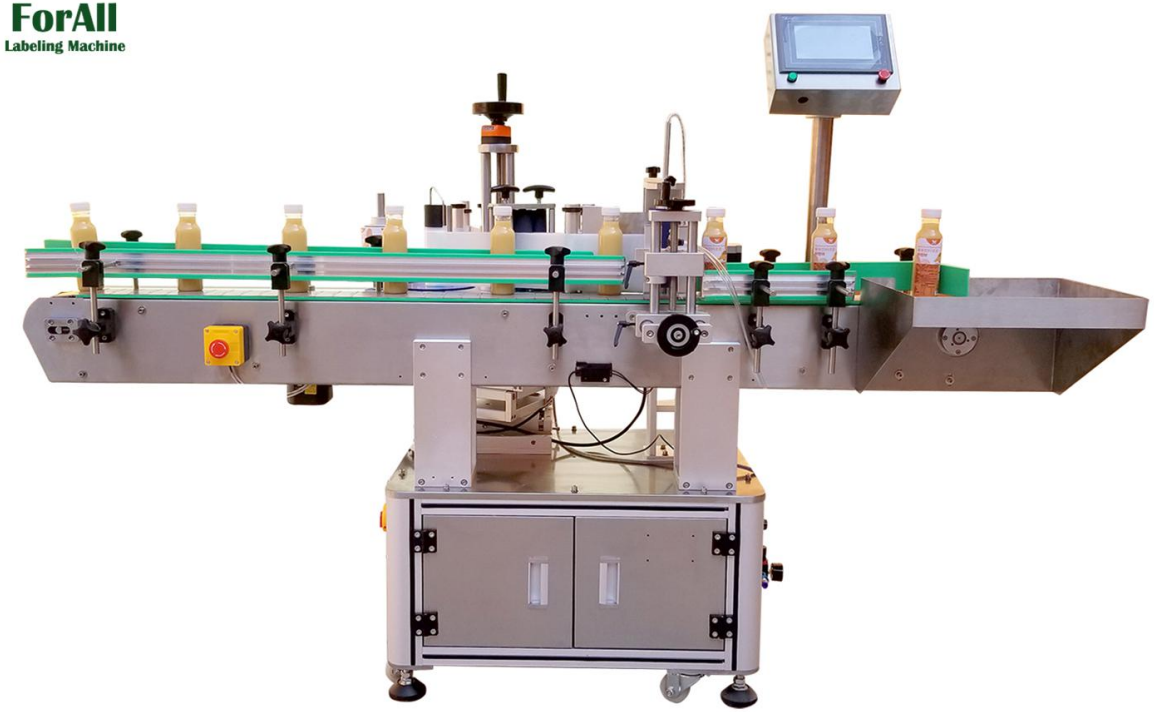
*Support customization

## Application

## FA-503 Automatic Round Bottle Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 1935*1200*1530 | 40 ~ 100 pcs/min | ±1 mm | L: 20-290;<br>W(H): 20-95 | Ø25～Ø120 |

ForAll
Labeling Machine



*Can be applied to round and tapered containers wrap around labeling.

*Clear/Transparent label is more recommended for t his labeler type.

*Liner labeler,can be connectted to production line.

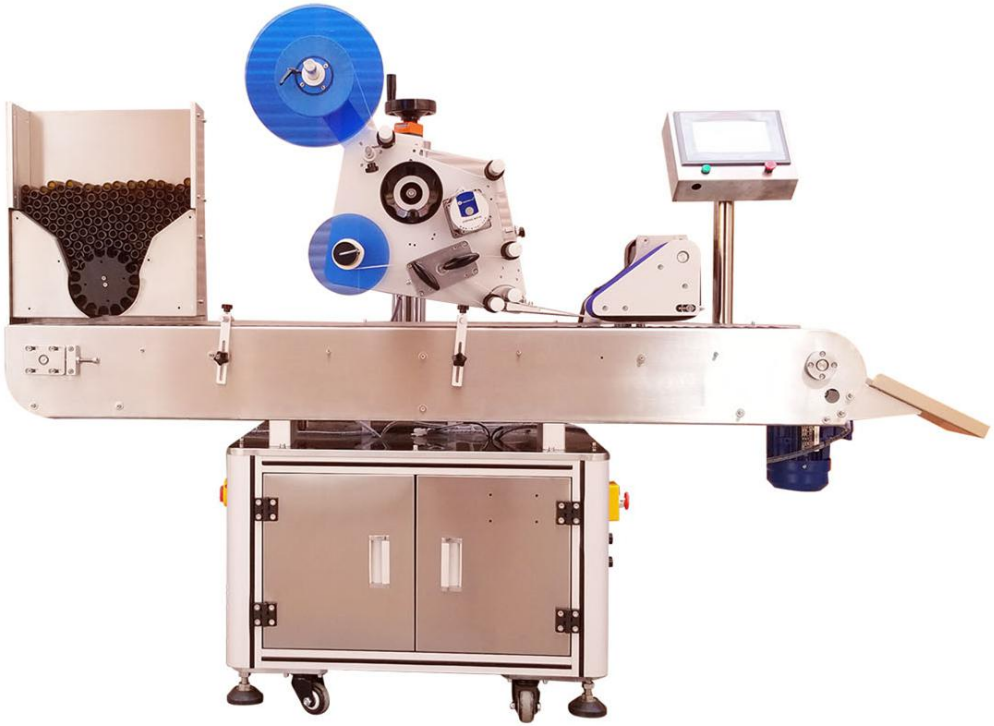
*Support customization.

## Application

# FA-504 Automatic Round Bottle Labeling Machine (Cylinder Type)

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 1935*1250*1470 | 25 ~ 60 pcs/min | ±1 mm | L: 20-290;<br>W(H): 20-130 | Ø25～Ø120 |

ForAll
Labeling Machine



*Can be applied to small round labeling such as vials，ampoules that can not stand alone while labeling.

*Feeding automatically.

*Support customization

## Application

# FA-505 Automatic Horizontal Round Bottle Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 2100*720*1450 | 100 ~300 pcs/min | ±1 mm | L: 20-290; W(H): 20-120 | Ø10～Ø30 |

ForAll
Labeling Machine

*Can be applied to round and tapered containers wrap around labeling.Has two heads,mainly used for import/export wine bottles which require front and back labeling +the 3rd label orientation labeling.

*Clear/Transparent label is more recommended for t his labeler type.

*Liner labeler,can be connectted to production line.

*Support customization.

## Application

## FA-524 Automatic Two Heads Round Bottle Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 1935*1250*1470 | 25 ~ 60 pcs/min | ±1 mm | L: 20-290;<br>W(H): 20-130 | Ø25～Ø120 |

ForAll
Labeling Machine

*Can be applied to all kinds flat labeling and anti-tamper labeling.

*Table top labeler,portable and easy operation.

*Support customization.

*Can be added with other functions ausch as date printing.

## Application

## FA-601 Semi Automatic Flat Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 830*430*820 | 15~30 pcs/min | ±0.5mm | L: 15-100;<br>W(H): 15-110 | L:20~200<br>W:20~150<br>H:0.2~120 |

ForAll
Labeling Machine

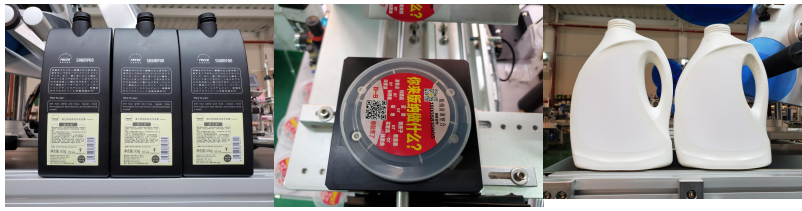
*Can be applied to all kinds flat bottle and plane labeling.

*Table top labeler,portable and easy operation.

*Support customization.

*Can be added with other functions ausch as date printing.

## Application



# FA-602 Semi Automatic Flat Labeling Machine (Conveyor Type)

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 830*720*950 | 15~30 pcs/min | ±0.5mm | L: 15-200;<br>W(H): 15-130 | L:20~200<br>W:20~150<br>H:0.2~120 |

ForAll
Labeling Machine

*Can be applied to high precision requirement,labeling tolerance up to ±0.2mm.

*Table top labeler,portable and easy operation.

*Support customization.

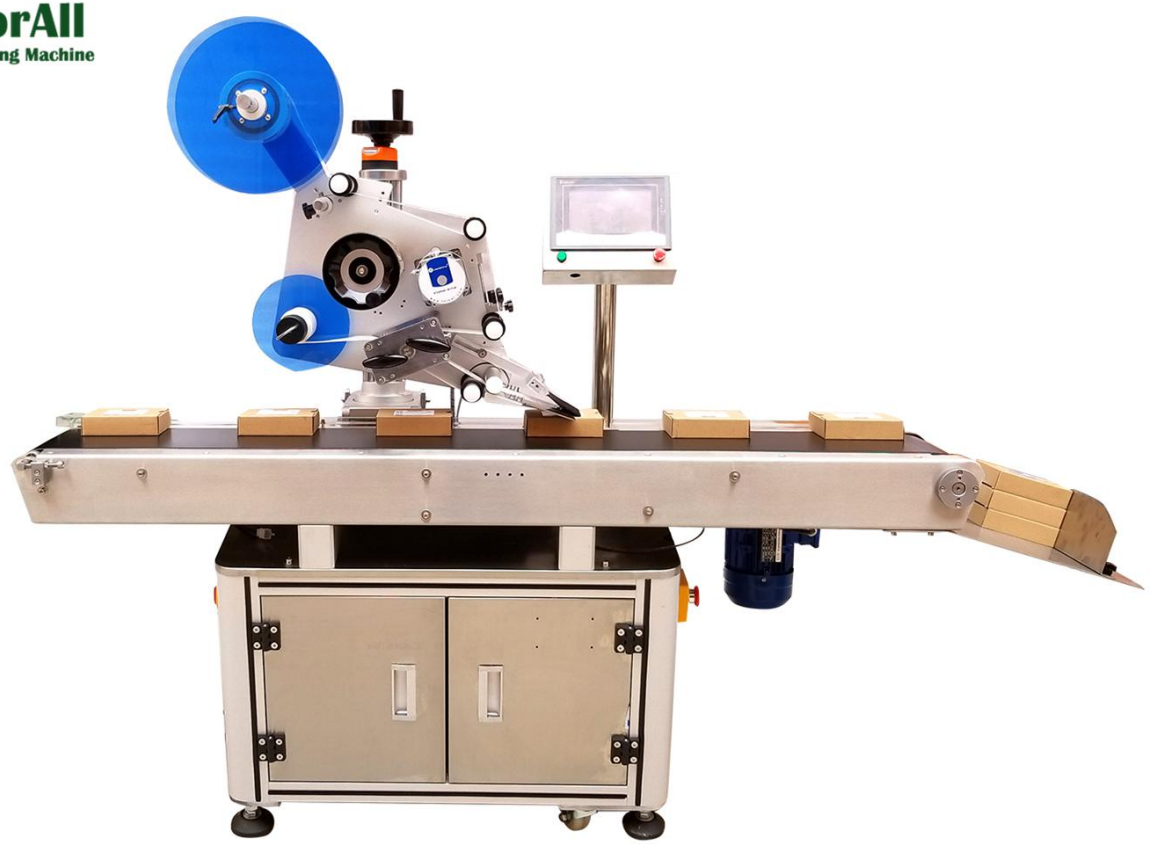
*Can be added with other functions such as date printing.

## Application

# FA-603 Semi Automatic High Precision Flat Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 600*500*800 | 15~30 pcs/min | ±0.2mm | L: 10-70;<br>W(H): 5-70 | L:20~200<br>W:20~180<br>H:0.2~75 |

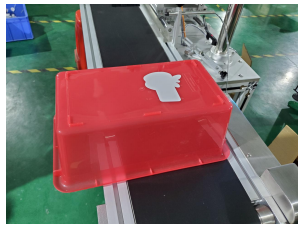
ForAll
Labeling Machine



*Can be applied to plane labeling.

*Can be connected to production line.

*Support customizat ion.

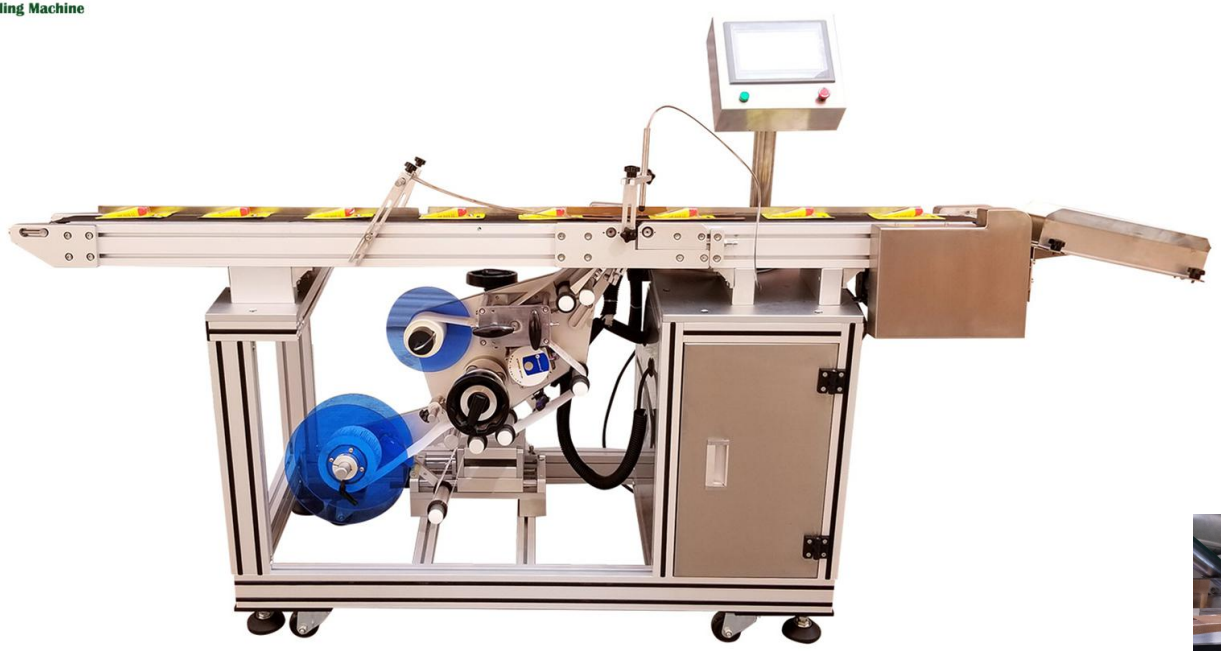


## Application

## FA-605 Automatic Flat Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 1930*695*1390 | 40 ~120 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |

ForAll
Labeling Machine

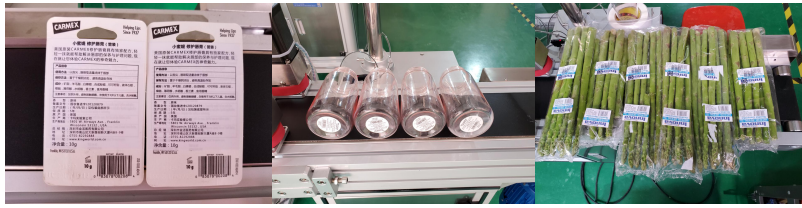


*Can be applied to bottom labeling.

*Can be connected to production line.

*Support customizat ion.

## Application



## FA-606 Automatic Bottom Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 1930*800*1300 | 40 ~120 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |

ForAll
Labeling Machine

*For all kinds of  side labeling.

*Date printer can be added,which can print production date,batch lot and expiry date while labeling.

*Support customization.

## Application

## FA-609 Automatic  Side Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| Customized | 40 ~120 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |

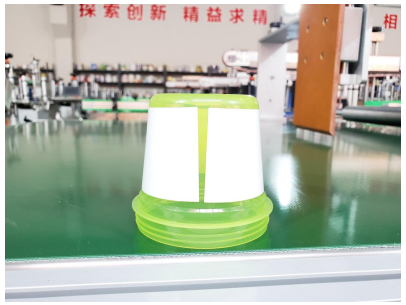
ForAll
Labeling Machine

*Can be applied t o all kinds square bottle/can wrap around labeling.

*Table top labeler,portable and easy operation.

*Support customization.

*Can be added with other functions ausch as date printing.

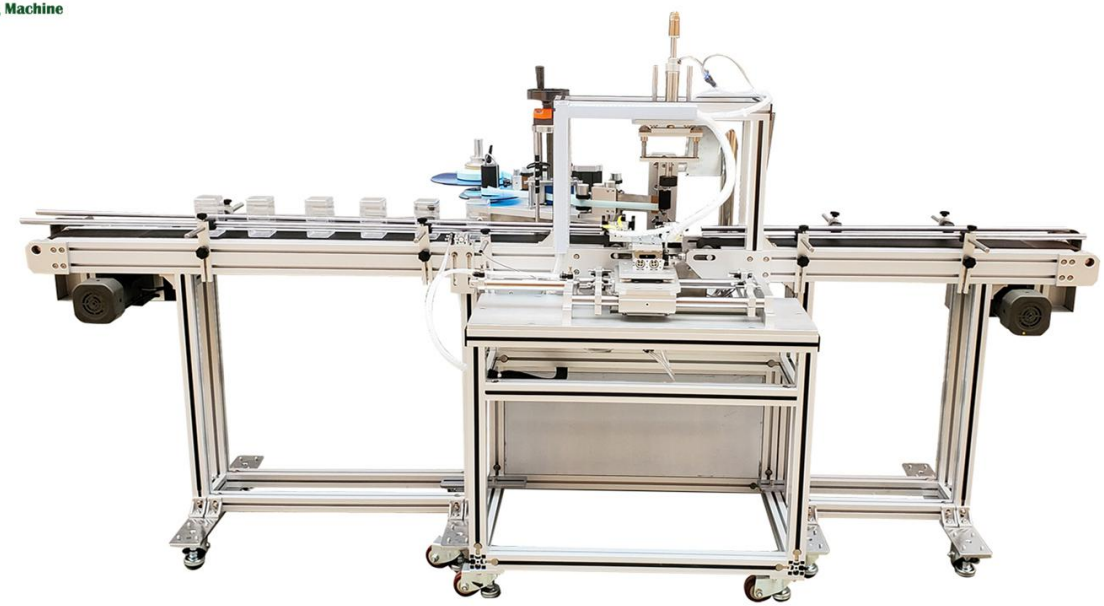


## Application

# FA-621 Semi Automatic Wrap Around Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 830*720*950 | 15~30 pcs/min | ±0.5mm | L: 15-200;<br>W(H): 15-130 | L:20~200<br>W:20~150<br>H:0.2~120 |

ForAll
Labeling Machine

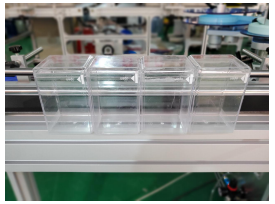


*Can be applied t o all kinds square bottle/can wrap around labeling.

*Support customization.

*Can be added with other functions ausch as date printing.

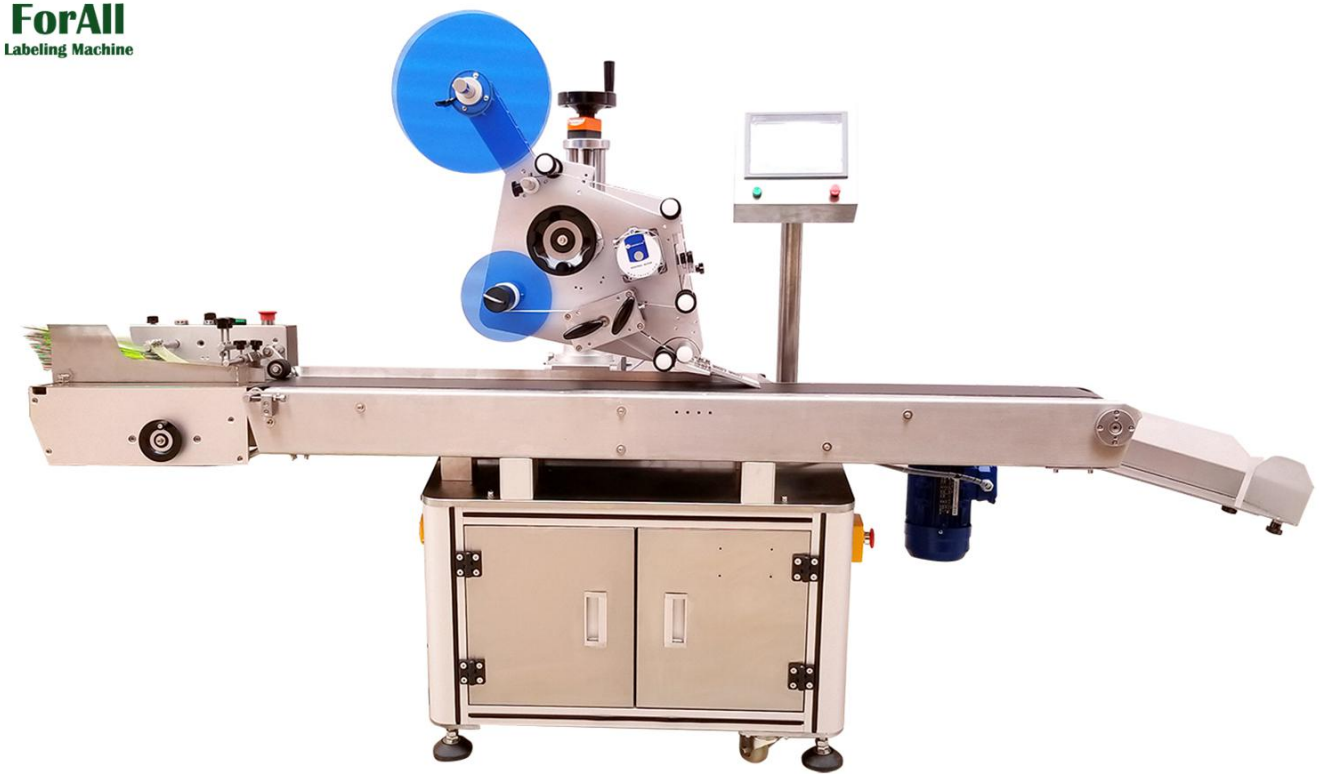
## Application



# FA-625 Automatic Wrap Around Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| Customized | 20~35 pcs/min | ±0.5mm | L: 15-200;<br>W(H): 15-130 | Customized |

ForAll
Labeling Machine



*Can be applied t o all kinds cards,PE bags,pouches.

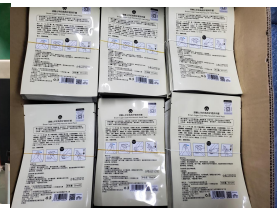
*Can be connect ed to production line.

*Support customization.

## Application

## FA-631 Automatic Cards(Pouches) Labeling

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 2080*695*1390 | 40 ~120 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |



ForAll
Labeling Machine

*For all kinds of cartons labeling, etc.

*Date printer can be added to print production date,batch lot and expiry date while labeling.

*Support customization.

## Application

## FA-635 Series Automatic Cartons Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 2080*695*1390 | 40 ~120 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |

ForAll
Labeling Machine

*Can be applied to bar code printing and labeling

*The printing content is editable,such as QR code,Bar Code,Text....

*Can be customized to integrate with packaging line.

## Application

## FA-651 Automatic Cache and Print Flat Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| Customized | 15 ~30 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |

ForAll
Labeling Machine

*Designed for logistics industry,special for folding express waybills.

*It can peel waybills from the release paper and stick to packages automatically.

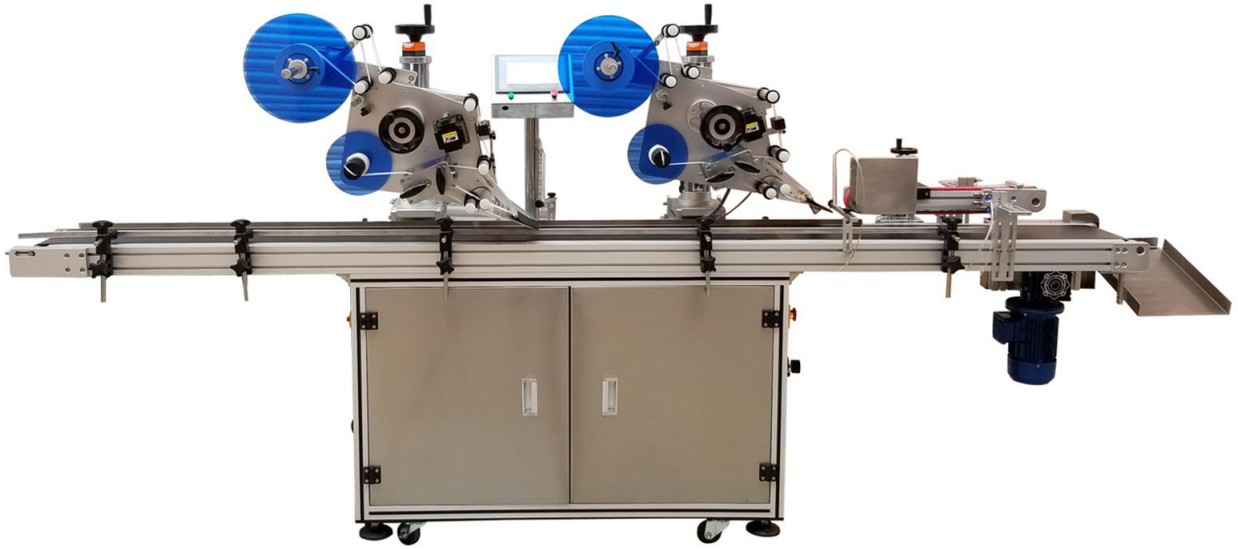
*Currently we have stand alone labeling head and integrated solutions available.

## Application

## FA-657 Automatic Express Waybill Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 1930*695*1390 | 40 ~60 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |

ForAll
Labeling Machine



*For all kinds of tamper evident labeling.

*Date printer can be added to print production date,batch lot and expiry date while labeling.

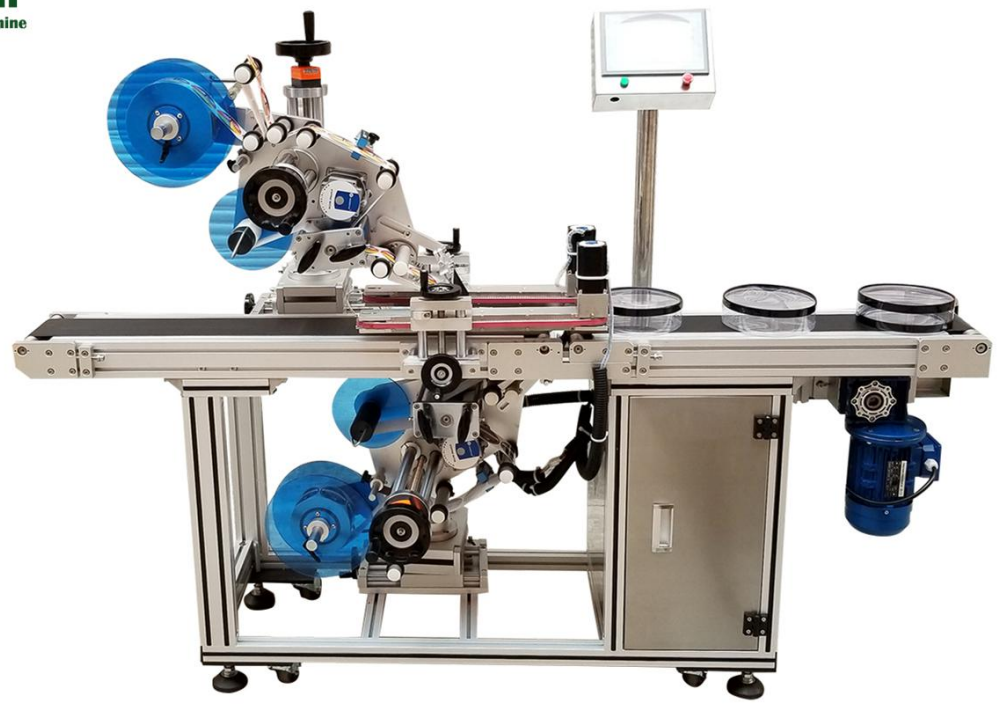
*Support customization.

## Application

# FA-705 Automatic Tamper Evident Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| Customized | 30 ~60 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |

ForAll
Labeling Machine

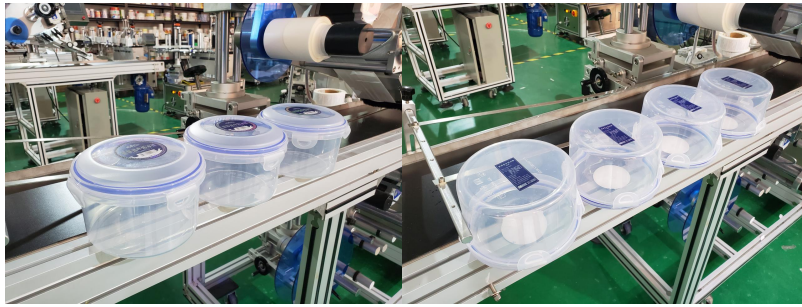


*Top&Bottom side labeling for all kinds of flat/slightly arc surface.

*Date printer can be added to print production date,batch lot and expiry date while labeling.

*Support customization.

## Application



## FA-811 Automatic Top and Bottom Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 1930*695*1390 | 40 ~60 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | L:40~400<br>W:20~200<br>H:0.2~150 |

ForAll
Labeling Machine

*For all kinds of double side labeling, such as flat bottle, cosmetics boxes, plastic cap labeling, etc.

*Date printer can be added,which can print production date,batch lot and expiry date while labeling.

*Support customization.

## Application

## FA-821 Semi Automatic Double Side Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 1280*1110*1300 | 20~60 pcs/min | ±0.5 mm | L: 15-200; W(H): 15-180 | L:20~200<br>W:20~150<br>H:20~200 |

ForAll
Labeling Machine

*Can be applied to double side labeling simultaneously.

*Can be connected to production line.

*Support customizat ion.

## Application

## FA-822 Automatic Double Side Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| 3000*1450*1600 | 30~120 pcs/min | ±1 mm | L: 15-200; W(H): 15-180 | L:20~200 W:20~90 H:20~280 |

ForAll
Labeling Machine

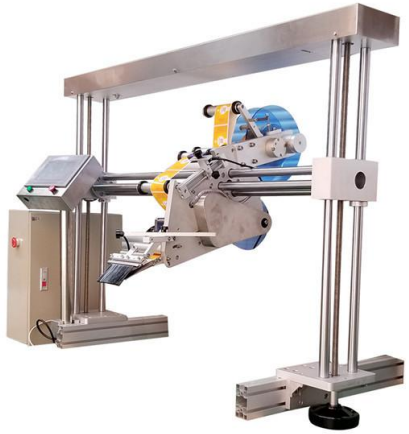
Top Labeler

Side Labeler

*Can be applied to all kinds production line labeling. Top/Bottom/Side available.

*Can be connect ed to production line.

*Support customization.



Bottom Labeler

## FA-80X Series Production Line Labeling Machine

| Measurement (mm) | Capacity | Labeling Tolerance(mm) | Label Size(mm) | Product Size(mm) |
|---|---|---|---|---|
| Customized | 40 ~150 pcs/min | ±1 mm | L: 20-290; W(H): 20-130 | no limit |
